

Adirondack North Country

SCENICBYWAYS

EXPLORE OUR WATERWAYS

Discover Tupper Lake's Historic Travel Routes

Tupper Lake is situated in the heart of a rich network of historic waterways which provide opportunities for paddlers of all abilities to spend an afternoon or a lifetime exploring crystalline lakes, hidden ponds, frothy brooks and winding streams. The Adirondack Trail and Olympic Scenic Byways lead travelers to a wonderful world of interconnected waterways. The region is home to the headwaters of the ten major Adirondack rivers, collectively known as the *Ten Rivers Region*—Cold River, Raquette River, Beaver River, Marion River, Hudson River, Oswegatchie River, St. Regis River, Bog River, Grasse River and the Saranac River. A New York section of the multi-state *Northern Forest Canoe Trail*, a recreational waterway connecting the Adirondacks to northern Maine, is not to be missed.

Top Paddle Picks

1 Raquette River to Piercefield stretch (17 miles); **2** Raquette River from the Crusher to Simon Pond (9 miles); **3** Tupper Lake; **4** Lows Lake via the Bog River Flow (11 miles); **5** William C. Whitney Area; **6** Lake Lila (17 campsites); **7** Raquette River between Long Lake and Tupper Lake (30 miles)

FOR DETAILED DESCRIPTIONS OF THESE WATER ROUTES visit the Tupper Lake Visitors Welcome Center at 121 Park Street or contact them by phone at 518 359-3328 and on the internet at www.tupperlakeinfo.com.
